“ Gus and I are sorry for your loss. We had so much fun at the house in Rockdale. Coming over to eat and parties. One really good memory was one of the Halloween party and hay ride. We all had such great fun. There where so many memories to tell all of them. The ladies from church came over to Sandies and it was so relaxing.

“ I met Sandy when our sons were in Boy Scouts, she was always friendly, smiling and I loved to hear her laugh. I had the pleasure of working with her several years later. Her personality was the same. A very special lady who will be missed by many.
