“ Richard & Jayne, my condolences to you and all the Surovik family in the passing of your mother. Having known both of you through school (graduating w/Richard), I never had the pleasure of meeting your mother personally. However I'd seen the family's generosity and heard of your mother's wonderful talent as a church organist. She shared God's love through her talent for years at First Methodist & New Tabor Brethren (& others)-- both of which I've served as well, as a lifetime organist myself. May God's peace & comfort be with all!
