“ Seth made his appearance and personality at my house this summer. I especially liked your quick wit and straight up sense of humor. I didn't get much time to laugh with you but “ Buddy! You sure knew how to juggle those clippers and make me a Sah-Weet fade! God Bless you

“ I always thought of Seth as a special friend. His smile was simply beautiful. I haven't seen Seth in years but I look back on all the memories like it was yesterday and very thankful to be apart of a chapter in his life. My prayers are with him and his family.
