“ Neatherlin family: Please accept my heartfelt sympathy upon the loss of Shannon. I have memories of she and I playing together as children as well as a fun evening at the circus! I remember that she and I were amazed by the elephants! A sudden loss is so very difficult, so be gentle on yourselves and take time to grieve for this remarkable lady! Hugs to all!

“ Shan was my best friend in high school. Spent many fun nights at her house. Loved her so much. Been thinking about her the last few days. I will miss her and remember all the great times we shared. And to Pam & Rene I am so so sorry. To Heather, you were her reason for living. May she. Be at peace now.
