“ *Jimmy, Kim & Bobby,  
I'm so sorry to see this sad news about your mom. I'm sure the last few years have been rough.  
I went on 2 different trips with my mom that included your mom .  
Hawaii & Boston.  
Hawaii was fun. I was cracking up at our mom's trying to pronounce the Hawaiian names of the streets and then how insisted they were on getting coffee--starbucks in the morning.  
Kristi & I met her & our mom in Boston and we laughed so hard at your mom trying to park the car, we sarterd laughing and then she then started laughing so hard. We just sat in the parking lot, still needing to park the car, but she couldn't because she was laughing so hard! So, we decided that parking space, once we finally got parked, was our spot. Each time we left we placed a traffic cone in front of it. When we came back the space was available! The power of the cone!  
I loved the beach house she allowed me to use to unwind from teaching.  
She was such a treasure! I loved the trips I took with her.  
May you be blessed with many happy memories of your dear mom.  
Love,  
Kim Meyer*

*Jimmy, Kim, and Bobby ... plus other family members -  
I have so many wonderful memories throughout my life with Sharon sprinkled in them. Sharon was a great neighbor growing up, but more importantly, played a big part in my life with all the different stages and ages. I also love what a faithful friend and traveling buddy she was to our Mom.*

*As your mom rest in peace, I hope y'all find peace in her rest as the days pass. I'll be at the funeral on Friday to honor her.*

*Love,

“ *I had the privilege of taking care of Levy Caraway (Cook, clean, do errands, play dominoes and fishing trips) before he passed away. Sharon was a sweet and caring person. Levi and Sharon meant so much to Tina and I, we have so many great memories! We even had the opportunity to spend some time with them at their beach house in Galveston.*

*Praying for the family is this time of loss!*
