“ My thoughts and prayers are with you all with the loss of your wife, mom, grandma and my dear friend Sherry. We had many fun times we shared from concerts, road trips, gambling and even enjoying some beer along the way.

Too many memories to mention and some no need to share. we laughed together and we cried too. I will truly miss that big smile and laugh of yours as it was definitely one of a kind. I'm so glad I got to spend a little time with you before you left us, but I take comfort in knowing you are no longer in pain and are with our Lord and savior. You had a great family that took such good care of you till your last breath here on earth. I know you are so proud of them and their loving care as I am. I will miss you and the fun times we shared, love you my friend!
