“ Shirley, Shirley, Shirley

Where do I start?

We've cried together, laughed A LOT together, you were on the wrong end of a practical joke or two and you became like a Texas Mom to me:

We shared the same church, the belief system and even shared the same political views!

I will never forget your influence in my life or the time we spent together.

Bill Schales said I would absolutely love you and he was right, you were a gift from God!

I imagine you've straightened out any issues in heaven and have found the fastest mode of transportation!

Love you dear friend!

“ *I had many fun times with Shirley. We went to San Jose with Dorothy and had a great visit with the family. The trip we took to Avery Island was indeed a trip we even brought a puppy { Rip } home with us. Spent the night at her B & B and ran the roads and shopped and ate and shopped. Lots of fond memories with my friend. She was one of a kind and will truly be missed. See you heaven one of these days. Love ya, Jeanie*

“ Miss Shirley was always an inspiration of love and faith to me. In 2014 I volunteered to lead this beautiful group of ladies in our discussion time during Beth Moore's Esther Bible Study. Miss Shirley always encouraged me. Every time I saw her, she told me she loved me.

I didn't get to know Miss Shirley until her later years. I had no idea she was such an accomplished woman, although it does not surprise me. She had no need to flaunt her skills. She wore them with dignity and humility. This world has lost a beautiful soul. She will be so missed.
