“ *I will always remember Mr. D for the thoughtful kind man that he was. I worked many years with him and all of them were truly some of the happiest years that I had at Giddings. I miss the compassion that he showed for everyone. A quiet man with a loud voice when necessary. You will be missed but God truly has an angel back with Him. Keep looking down on us Stan, you were always a blessing. 🌸*

“ Stan was a good friend and mentor to me during my years at Giddings State School. We did not always agree, but he was always open to a discussion. I always knew that whatever was going on, we both wanted what was good for the students. I will always appreciate his support and miss him. My prayers and thoughts are with his family during this difficult time.
