“ Steven was a dear friend to me. He always had something kind to say and was great to hang out with even when times were tough he would always make things seem so easy. I will truly miss You. And tell Em meet you again on the other side just know I'll be thinking about you my friend.

“ Haven't talked to or seen Steven in a long time (15 or 20 years). I play bass & have a gig coming up in Taylor. It made me think Rockdale is not far, so googled his name & Rockdale. To my great dismay I found this obituary. To say the least it shocked & stunned me. My heart goes out him, his family, and friends. We had a lot of laughs, and went many different places. Steven was always fun & great to hear from. God Speed my friend. You brightened a lot of lives in your time. Bennie
