“ *Dearest Aunt Sylvia, you and your sweet spirit will be sorely missed. We know heaven is a brighter place with you there. I am still in awe of all the things you did during your life. That you riveted airplanes for the war effort (WW II) while your sister, Lorene wired the cockpits. I will dearly miss that wonderful Texas German lilt in your voice.*

*Thank you Jerry for graciously sharing your Mom with us. Our prayers are with you during this sad time. May the Lord pour out his peace on you.*
