“ You are in our prayers Gary! Teresa was one of a kind & had a huge heart for everyone. She was always wanting to do for others & never ask anything in return. A heart of gold. God got a sweet girl when He took her out of her pain. She will be greatly missed. May God give you peace during this time.

“ Teresa and I lost contact with each other a few years back, but we were roommates while she was a student at UT for nursing. Teresa and I shared so many memories, including getting matching 4 leaf clover tattoos on one of our mini vacations to the coast. My daughter and her kids were friends. Teresa introduce my husband to me on a blind date and if it weren't for her, I would have never met the love of my life. My heart hurts and I am in shock over the loss of her. To her kids; Christopher, Destiny and to her husband that I never met, I am so sorry for your loss. You are in my thoughts and prayers. Hugs to you.

“ *Teresa and I grew up together and were best friends since 2nd grade all the way through graduation. We lost touch as friends do and last year I started trying to find her. I am sad that I couldn't locate her soon enough. My thoughts and prayers go out to her Husband and all the rest of the Zook/Breuer family.*

“ My name is Karen Boney and I lived across the street from her and Gary in Morgan's Point Resort. We really enjoyed them as neighbors for the short time they've been here. Gary and Teresa really brought our neighborhood together. Our other neighbors would say the same thing.

Apparently Teresa learned how to can foods after her and Gary got together. I have to say she did an outstanding job. I'm a foodie and I loved everything she shared with me.

I'm sorry that I didn't get to spend more time with her.

God bless her.

We will miss you Teresa Morgan!
