My sympathy to the Ripple and Joyce families. May our Lord and Savior be with you all and bring peace to your hearts.

I just idolized Terri when I was little and always loved the opportunity to visit and get to play together. I even cherished the hand-me-down's Margie would pass on to us. I will never forget getting Terri's blue flip-flops with the glittery blue flower on top! When I saw those on top of the bag of clothes Margie brought over, I grabbed them and wore them until they fell apart! Never has a little girl been more proud to have some sparklie, hand-me-down flip-flops than I was! I love you Terri!

Much love to you all!
