“ I will never forget Mr. Vega's kind words and advice on any plumbing question I had. He always did great quality work for me and I appreciated his prompt response whenever I needed his help. He did excellent work on a new bathroom and let me know when I challenged him with a new kind of faucet. He complimented me on the tile work I did myself and I will always remember his words. He was my plumber for years and may he rest in peace and grace at the Lord's side. Thank you, Thomas.
