“ *Dear Peggy,  
I was so shocked when I read the news about Tim. I have such good memories of Tim. From the Lab at the power plant to the times after I retired when he would stop by (on his motorcycle) to say "Hello". He was always a perfect gentleman. The last time I saw him he had taken up skydiving!  
He enjoyed talking about "Baby Anne".*

*I will miss him.....*

“ *It was a privilege for me to sit beside Tim and have a few drinks. I valued our friendship tremendously. I will miss our conversations. Tim was an honest and genuine man. I loved to hear Tim laugh. I will miss he dearly. The loss of his friendship weighs on my heart heavily. I am honored to be considered a friend of Tim's. Tim was always so proud of his daughter. Tim always said that he thought his daughter and I would be good friends because we both had the same fire inside of us. Tim was a hell of a man an friend.*

*To my good friend Tim: I love you. I will see you when I'm finished fighting the good fight.*

*Love,

*Tim will be missed. Tim was one of my first childhood friends...as he lived just down the road. I remember being 4 or 5 and we were discussing "getting our mouth washed out with soap"...I still remember what that bar of soap tasted like...I am not sure if he bit into the bar of soap also...but I am sure he coaxed me into it! Tim was always a character!!! ♡*
