“ To the Coffield Family, I know a few of you and I am deeply sorry for your loss. You have my prayers for comfort and deepest condolences. I remember your father and grandfather from when he would go into McVoys Feed and Grocery on his monthly stops, he was a fair, kind and interesting man to talk to. Him and my late grandfather Dave were very close. I believe that at this moment they and my daddy, David are up there having a grand conversation. Life here has to end sadly, but for a man who made it to a hundred years, many memories to cherish. Love to all of you!
