“ Sorry to hear of the loss of Tracy. Tracy is not gone, just away! One day her love ones will see her again in our Heavenly home. God called Tracy home to be with him since her job here on earth was done. She fought a long hard battle and now she is whole again! God bless and keep Tracy's family and friends in this time of sorrow.

“ I was truly saddened by the passing of Tracy, she will be dearly missed. Prayers of comfort to all of you especially her two boys. May God give you all comfort now and always as your mom is no longer suffering and resting peacefully in the arms of the angels. I'm so sorry I missed the service as I was ill, or I would have been there.

Sincerely,

“I didn't know Tracy on a personal basis although I could always feel she was such a caring professional lady. She gave the opinion she cared for you and what you were going through. Always punctual with messages and calls. I knew recently she wasn't working but didn't ask Crystal, as I missed her caring voice. I'm so sorry for her family and the Jimmy Scott family. Prayers and condolences to each of you. Sincerely, Geri Reat My God be with you all. Amen.
