“ Rubio will be missed by many of who went to The Hitching post. We will miss having a beer and listening to him play his accordion. We loved listening and watching him work his magic. We have gained another great angel

“ We have known Mr. Rubio for years. They bought our house and have been friends with them since then. Mr. Rubio was always a kind person. He would listen to what you had to say and he would help people out when they needed the help. He will be dearly missed. We have gotten to know his family, and they are just like their parents, very kind and helpful. I would like to say one more thing, Mr. & Mrs. Rubio, you are together again and you can watch your family in heaven. You will be missed.
