“ I don't know how he got started around here but him and Joey built a shed for my father in law. And they built a barn for me and my brother. And put my shop and building up and all are still standing he was always thinking and telling stories always smiling and laughing. I hate to hear about him passing away I guess he has work to do in Heaven. May He Rest In Peace.

I was so sorry to hear of Uncle Vernon's death. He will be so missed by his large, loving family. He was quite a character! I loved to hear him sing Elvis songs! "Elvis has left the building". Sympathy for all. Susie
