“ I worked at the nursing home with Vetta for a while in the early 70s. She was always quite and minded her own business. Never heard her say one negative thing to anyone or about them. She was easy to work with even though I worked the floor. Winston to you and the family, God got your back. To the grandchildren, mine included God will take care of you.

*Love to the family from Dr. Gregory and Dr. Dorene Abrams*
