Vicki Lynn Zajac Hamilton, 66, of Bryan went to be with our Lord and Savior on Saturday January 15th. She departed peacefully in her sleep in the company of family.

Vicki was born August 3rd 1955 in Detroit, Michigan to Bazyli Zajac and Margie Tapp. She was one of three children. She met her future husband and love of her life, Billy Eugene Hamilton, while he was being treated for a bad back and flirting with his nurse. After setting him straight they were married on June 25th 1976 in Bryan, TX at the Church of the Nazarene. Of this union came two children, Korey Eileen and Lee Zajac. Vicki loved the Lord and always found ways to serve Him in daily life.

Most recently she served as the librarian for First Baptist Church of College Station. She loved the water, reading, singing, dancing, and was a gifted artist. More than anything she loved to care for others and treated everyone like family. Her family is grateful for the love and guidance she offered, and the forgiveness and mercy she gave without being asked.

“ Vicki would always come through the office before going through to the library. She told me often that I looked beautiful when I was pregnant. She would give me the funniest names to consider for our little boy. She made the library and office seem so much brighter and joyful. She will be truly missed.

“ Vicki was my best friend... We talked and texed almost every day it seemed like. One thing we did the most was pray. Boy, and if I had a prayer request she and Billy were on it! But most of all Vicki was there for me no matter what I was going through. She always took the time to listen, encourage, and lead me back to Jesus. One other very amazing part of her character was to put others first...always! She must have blessed an endless amount of people.. and I'd sorta joke around and tell her I'm sending her my "Codependent No More" book! I never understood her level of giving of herself and putting others first before her own needs... but I sure learned a lot and I hope to be like her and carry that gift as well. I miss you every day Vicki.. and yes we will see each other again!

“ Vicki lived with me and my family during her last few years of high school. My sister, Janelle Williams, and her were best friends. Her beautiful smile was so contagious and she was such a beautiful person inside and out. I can speak for my parents and other siblings that we all loved her very much. See you in Heaven sister; when it's my turn to come there with you!!
