*Vicki was my oldest sister and my best friend. She was always there for me no matter what curve balls life threw my way. She always encouraged me to follow my dreams and reach for the stars. She and I were rarely apart throughout my childhood and teen years. If I was not with my horse I was with my mom and my sister Vicki, either strolling the streets of Thorndale or at the beach in Port Aransas/Rockport, or playing Bingo! A girl could not ask for a better sister! 'Go rest high on the mountain Vicki! Enjoy the Peace in the Valley that you so deserve! I know you and mom are in GOD'S home in heaven and I will see you when my time on this earth is done! Love you forever and always!*

“ I'm so sorry for your loss. Vicki was my sister-in-law at one time. She and I, along with your aunt Francis, were all pregnant at the same time. She was a good person to know. My prayers are with your family.

I will miss my oldest sister more than life it self! She and I had grown very close the last 2 years as I was with her at hospital anytime she was there. We sang and laughed & cryed & prayed together. She loved her kids & grandkids to the moon & back!  
Love you Vicki Sheppard-Vega...enjoy the wonder place God created just for you! See ya someday!! Hug mom & dad for me!!!

“ *My aunt Vicki loved animals and children. She donated school supplies to public schools in Rockdale and later Temple to help children who might not otherwise get school supplies due to family circumstances. She wouldn't want false "I miss you" and wouldn't want presents or dead flowers sent she wanted everyone to donate school supplies to their local public schools to ensure every child had a fighting chance.*
