“ Happy and sweet are our memories of Bill & Vivian. Every encounter with them was joyful. Vivian had a perpetual smile. We were blessed many times singing Gospel music in their barn with their horseback riding friends, eating in their beautiful backyard and sharing sweet fellowship together at Liberty Church. Vivian always made us feel loved and special. She's going to be greatly missed even as Bill is, but we thank the Lord that our fellowship will continue again one day, and for all eternity! Prayers of peace and comfort for all the Dixon family.

“ George and I had the pleasure of meeting and getting to know Bill and Vivian at Liberty Church. They were awesome folks. Wise funny and down to earth. When our son made the decision to be baptized Bill and Vivian immediately stepped up and offered the use of their pool. They opened their home to us on more than one occasion. They were kind and generous and true Christians. They are together again in their heavenly home and I feel certain they are already on an adventure. Thank you all for sharing your parents with us. May God bring you peace and comfort.
