Vivian was an uplifting person who was full of life and energy. Not only was she a great mother, but a loving wife, caring aunt, sister, and friend who always had a big smile. Vivian loved to dance, cook, goof around, and would take 20 million pictures, that would drive us all crazy. She always knew what to say and how to say it. She was the best wife a man could ask for, and she was always worrying about her family. She will be truly missed by all who loved her.

Her smile will forever be engraved in our hearts;

Her face will forever be engraved in our minds.

Vivian is survived by her loving husband, Humberto Galvan; two sons,
