“ *Can't believe it's been 3 years today without you. You were truly my best friend, my dad, my everything. I miss you so incredibly much more and more everyday. I love you to infinity and beyond as we always used to say. I would do anything to watch a simple movie with you again or even a small trip to HEB. Memories I will never forget are when we used to watch house flippers, and tons of horror movies, and let's not forget all the funny movies. When you would beg me to go to HEB with you, when you would beg me to go get some rocky road before we watched our favorite show Breaking Bad. Or even when you would beg me to scratch your back even though I always knew you would just fall asleep. Those are some of the memories I will never forget. Forever my best friend and my dad.*

*Until we see each other again,
Your loving daughter*

“ My name is Mark Ames. I met Wally and Nathan at a place called The Castle Southern California. I was a 19 year old kid who had just joined the Navy and I met these guys and play Pinball with them on weekends. These guys went out on aircraft carrier with me back around 1980. I lost track of the boys for 30 years until finding Wally on Facebook in 2009. We spoke a few times on the phone but never did reconnect in person and since I got rid of Facebook a few years ago I really had not known what's been going on with him. This evening I decided to Google his name and see where he is and what's going on and I came across his obituary. I am deeply saddened. To all of Wally's family and his beautiful children I am so terribly sorry for your loss.

“ Wally was always smiling and always seem to be in good spirits. The memories I have if Wally are when Wally, Staci, Cole and Carli would come to Aunt Faye’s on Christmas Eve. He always made us laugh and always had a story to tell.he had a smile that could light up a room and he will be dearly missed.

He added such a great depth and wonderful color to my life and I'm sure to all those that were fortunate enough to have known him well! I'm truly in disbelief and my heart hurts knowing that part of my life will from here forward be missing...

“ I had the pleasure when I first started in the Car Business for Champion Autoplex to learn under Wally who was a natural with people and such a fun guy to work with. He made us laugh and enjoy our long hot days of selling Iron. He will be sorely missed and loved by all his friends. Thanks, Wally for your great friendship.
