“ Your father, Clyde Bonner, was an exceptional man. I loved seeing him walk in our neighborhood, talk about his days in the service, talk about his love for dominoes and the Christian Care Center and all of his friends. I was really sad the day he moved to Houston, but I know he needed more care. I enjoyed cooking for him during the week. Your dad was just a precious elderly gentleman. He walked my trashcans many days. I talked to him about it and he would just tell me I have nothing better to do. I was always amazed that he still worked out with his weight bench, and did things in his yard.

I am so sorry for your loss. Our community has lost a great man, neighbor and friend. I miss him. Thank you for having the celebration of his life here in Caldwell, where he was loved. Again, I am so sorry. My father was looking forward to playing dominoes with him when he moves here. My folks were so sad that he is gone. I know he is with the Lord and I am confident he is playing dominoes and enjoying catching up with his lovely wife.

Our condolences,

April & Ashley Pinales
