“ I will miss my very special friend. Wanda was there for me in my times of need. Her kindness was monumental. We have over forty years of great memories; the early days of raising our beautiful daughters; fun times trying to “tame” our husbands; challenging times at our workplace while making lasting friendships with coworkers Carol, Mary Ann, Denise and many others. We will miss our annual lunch dates catching up on the present and laughing about our fun times together. I know you are now in the arms of our Lord and Savior sweet friend. Rest knowing you were loved by many.
