“ Prayers for the Springer family. I will always remember all the good times we spent together with Weldon and Ginger. When I grew up and my mother was sick I spent a lot of times with my cousins. Miss those days. Rest in piece Weldon. Our thoughts are with all of you.

Our sincere condolences to the Springer family. We are so privileged to have known, worked with, as well as enjoyed morning get-togethers & coffee with Welton & Ginger in Austwell. There is an empty spot in Austwell, but he is now with Ginger filling that his spot in the heavenly choir. We have already missed your presence, Springer, & will keep you in our memories forever. We are so blessed to have known them!
