“ Debra, Clifford, and Kirstie, my heart aches for all of you and other family and friends. We'll never understand why, but I have faith that he is in God's presence now. I pray that God will comfort all of you in the days to come. If there is anything I can help with, please Debra, let me know. Anything at all.

You'll be asking yourself and God, why? Just be comforted that he is with God now and other family members that have gone on before. I believe he was welcomed with open arms by all. He will flourish in God's kingdom forever. He'll be waiting to welcome all of your.

God bless and keep His loving arms around you all during these difficult days ahead of you. I'm here for anything you need. I love you, Debra. My thoughts and prayers will be with on always.

“ *Hey Wesley,
it's been a long time, but it does not change that you were like my
brother. It doesn't matter how long you go with out seeing someone
that is family, they always hold a place in your heart. I've loved you
like a brother for what seems like forever. I remember watching
movies with all of us in the living room, I remember taking you and
Trevin to boy scouts, we had the craziest times together. And until
the day we meet again, I hope you Rest in Peace, Bud. I love ya!!*
