“ We are so thankful for Wesley, he was a perfect Fish camp partner for our daughter. I got to meet him before they started all their activities and I know they were going to have the time of their lives and they did. Thank you for raising such a beautiful soul. I know he touched my daughter's heart and as he did ours. Sterling will never forget him. My prayers are with you all. I pray God wraps his arms around you through this time and the months to come. All our love and hugs- The Walterscheid Family
