“ We were saddened to learn of Willie's death. My Junelle and Willie's were in each other's wedding. Willie's Junelle was always a genuine friend throughout the years just like their wedding days. Willie was always had the sweetest smile and kind words when given the chance to speak! May God bless and keep all those you love and hold dear the memories your parents so lovingly shared in their years together. We regret that appointments with our doctor's will keep us from attending the funeral.
