January 27, 1945 - August 9, 2023

Wilhelmina (Willy) Elisabeth Lehmann, beloved mother, sister, aunt, and cherished friend passed away on August 9, 2023. Her life was one of love, laughter, and hard work.

Willy was born in Haarlem, Netherlands to Wilhelmina van Brugge de Bruin and Wilhem de Bruin on January 27, 1945.

Willy was an incredibly hard worker. While still in the Netherlands, she worked for KLM Royal Dutch Airlines for several years. This provided her with the opportunity to travel around the world, including the United States.

In 1972, she moved to the United States and married her husband Donald Lehmann. Together they raised their two children, Nicky and Martin in El Centro, California before moving to central Texas. Over the years, she has been a dedicated homemaker, gardener at Color Star Growers, and shopkeeper at Round Top Mercantile.

Willy was an incredibly giving person. Throughout her life, she always found time to volunteer and lend a helping hand to those in need. She was an avid reader, enjoyed gardening, spending time with her family, and playing dominoes with the ladies every Wednesday at the senior center. She was a member of the Ledbetter Homemakers Club and will be remembered fondly

by all who knew her.

Willy was preceded in death by her parents and her husband, Donald Lehmann. She is survived by her daughter, Nicky Omohundro, son-in-law Read, and their three children, Gavin, Paige, and Brody; her son, Martin Lehmann and his partner, Liz Snowden, her sister, Joke de Bruin and her children, Moreno and Noortje van Glabbeeck.

A memorial service to celebrate Willy's life will be held at Phillips & Luckey Funeral Home in Giddings, Texas on August 26, 2023, at 10 am. Friends and family are invited to join in remembering and paying tribute to this remarkable woman who touched so many lives. The service will be live-streamed for those unable to attend in person.

In lieu of flowers, the family kindly requests that donations be made to The Myositis Association at [Myositis.org](https://www.myositis.org), a cause that was close to her heart.
