“ *Learning of Willie's death came as a complete shock! I was fortunate to have had the opportunity to work side by side with him at many Central Texas Food Bank mobile pantries in Rockdale and Bartlett. I will miss his engagement for those less fortunate in life, but more than anything, I will miss his lighthearted attempts of making fun of me! Working in Rockdale yesterday for the first time without him brought home how much I enjoyed his presence! I will miss him! May he rest in peace!* ”

“ *I met Willie at Gabriel Oaks Church of Christ, he was a great guy who grew up like we did, raised on solid morals and values. I rest easy knowing he was a godly man, who truly worshipped in spirit and truth - and is in a better place. We will be praying for the family. God Bless.* ”

“ *Willie was a regular volunteer at the Central Texas Food Bank mobile distribution in Rockdale. He was always the first one there and last to leave....very much helping organize the other volunteers. He brought a special light to his service. He was so full of life that losing him is a shock. He will be missed.*

“Willie was a staple here at HT Fitness. He was always happy to engage in a laugh and conversation about the day. I enjoyed the time we spent catching up on fishing, the food bank and life in general while he rode the stationary bike or walked on the treadmill. News of his passing hit us all very hard and he will truly be missed by the entire community here. We extend our deepest sympathies to his family.

“Willie was such a joy to be around. He was very helpful to so many families. I would visit with Willie at CEFCO some mornings & he always asked about my mom. I am so sorry for his loss at such an early age. Our town lost a wonderful friend. His family has lost so much with his passing.
