“ Dear Pat, Curtis, Deanne and other family. Carol and I, and our family, are so sad to hear of Willie's passing. We have many memories from our days in the Army; standing guard, peeling potatoes, polishing our boots, and then there were the good times- the list goes on. And, of course, the numerous times our families were together in our "army buddies" reunions- in Oklahoma, Texas and Kansas. As members of a Buddy Team-Willie, Stan, Dick and me (Bob) we were like brothers in many ways. Our time in the military resulted in the development of life-long friendships, not just the four of us, but our families as well. Pat you were instrumental in tracking me down at Drake University when we had lost contact for a few years. I am eternally grateful that Willie was a part of my life. To Willie's family-please know you are in our thoughts and prayers during this difficult time and in the coming days. I would have hoped to attend Willie's service, however age and uncertain weather doesn't let it work out. God's blessings on each of you. Love, Bob & Carol Morrow

“ *It was an honor for me to be with Cindy, Leslie, and Father Bernard as we prayed over Willie shortly after his passing. I so appreciate being able to be with Pat when she was told that Willie was at peace and my and Donna's prayers are for all of the family.*
