“ I remember Daddy taking care of lawn mower for Wynona when the girls were little. Apparently, though my folks were about 10 years older a young Wynona spent some time with my Mom and Dad during her growing up years. Wynona would visit my Mama in later years and she so enjoyed the visit. Such a shining light! May she rest in peace! She has a new address we hope to attain some day and any suffering is possible very soon. Sending love to all and prayers for comfort. ❤️

“ I just loved her, she was the sweetest lady. She would come in to WalMart when I worked there and she always came to electronics to visit and talk to me. My prayers and thoughts are with her family.

So sorry for your loss. She was one of my precious friends! I've known her for many years! She made my wedding dress in 1957! She was a wonderful Christian lady who will be missed by all!
